From Our Clients

"Extended Family Home Care has been a true blessing to our family. They have helped guide us in dealing with a parent that has Alzheimer's. Our parents felt they could do it all and didn't need assistance. Their care team treats them with kindness, dignity and respect. They have become family to all of us."

– S. Stevens

"Rachel and her wonderful office staff and supervisors are always there for us. They feel more like family than we could have imagined. They're knowledgeable, ethical, and caring, and their professional business style is very admirable. It is a pleasure working with them."

– D. Graham

Alzheimer's Association
"Leaders in Dementia Care"

Our agency is among the 1% certified.

We have invested in our team and have earned this additional certification ensuring our staff can deliver more specialized care to our clients and their families.

*Where your family...
 ...becomes our family*

Extended Family is Colorado's Premiere Home Care Agency specializing in Alzheimer's and Dementia Care.

"We were founded on the core values of compassion, respect, integrity, and excellence. We hope to be a resource to you and your family. We look forward to learning about you."

– Rachel Webb
 Founder, Extended Family Home Care

Our reputation among our clients is our greatest asset.

"We are very thankful for the quality care dad receives at home. He has had the same caregiver for the past three years, and the agency continues to go above and beyond what is expected. We appreciate the continuity of care and the kindness and respect you have shown our family."

– E. Meyer

Our #1 priority is to address your family's needs with dignity, compassion, and respect.

We know there's no place like home, a familiar place filled with the love of family and friends. Aging presents challenges for the entire family and we help them find solutions that bring peace of mind. Extended Family Home Care is a family-owned business in Denver, Colorado dedicated to enriching the lives of others. We advocate for and assist our clients in leading dignified, independent lives within the familiarity of their own home.

We work with the family to design a custom care plan based on the individual needs and goals of each client. Extended Family Home Care was founded on the belief that empowering seniors with care and support improves their quality of life.

We only employ caregivers whom we would entrust with our own parents.

We understand we are entrusted with the well-being of your loved one and we take this very seriously. It is our responsibility to provide your family with an experienced, responsible, and trustworthy caregiver. Each caregiver is hand-picked for their varied talents, compassion, and dedication to help make a positive difference in the lives of others. We carefully consider the individual needs of our clients when matching them with a caregiver.

We invite you to visit us online to view our caregiver profiles.

We are there when you are unable to be.

"I am very pleased that I chose Extended Family Home Care for my father. There was simply no way I could do all I need to do for Dad and still meet my obligations to the rest of my family and my job. I don't worry about Dad like I used to because I know that he is in good hands."

– P. Rosen

Our hiring process is highly selective.

You can be confident our employees have been meticulously screened and a comprehensive background check has been performed. To ensure the safety of our employees and clients we do not contract out our services. Our entire team is employed and supervised by Extended Family Home Care. Our staff is bonded and insured. Caregivers receive initial and ongoing training to complement their existing qualifications.
